

FARLEY HALL EQUESTRIAN CENTRE AND FARLEY ESTATE

Farley Hall Equestrian Centre is a brand new luxury facility at Farley Estate near Reading, Berkshire.

We have 18 Scotts of Thrapston stables and three graded livery options (inside this leaflet), designed to suit everyone's needs.

Just let us know when you need your horse exercised. If you are coming we can groom and tack up ready for your visit.

We have many hacking routes available across the Farley Estate, with minimal road work, or none at all. You can choose a cardiovascular workout for you and your horse or a leisurely stroll for several hours across the countryside.

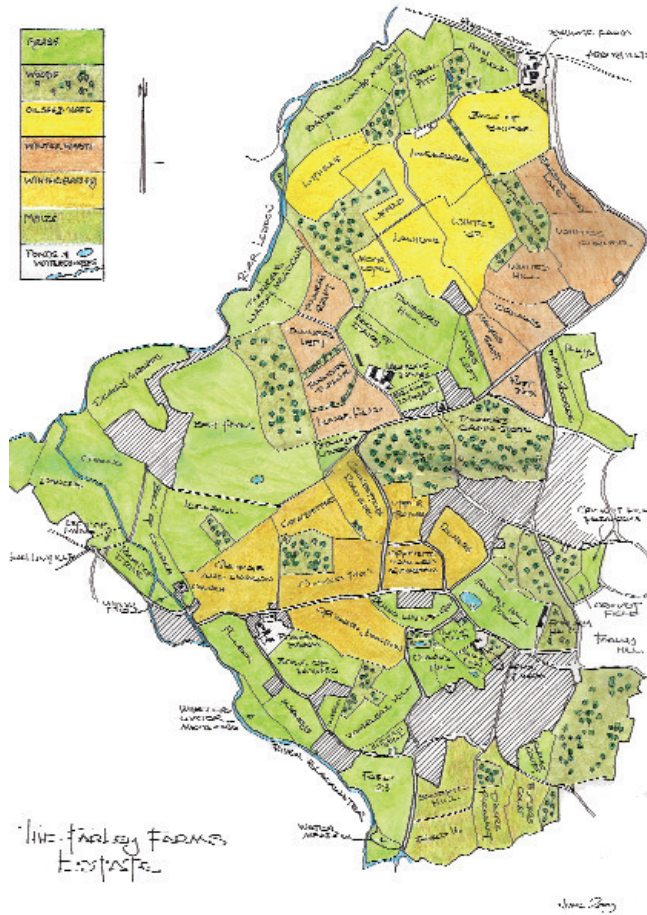

When you return, we can take care of your horse while you shower, change and have a cuppa.

Behind the stable block, accessible through the archway, is our wash, feed, rug and tack building and our outdoor arena with lunge area, grass jump paddock and 45 acres of turnout and grazing. We also have a solarium and Monarch horsewalker.

There is plenty of on-site horsebox parking and we provide out-of-hours security of the entire site.

Farley Estate is centred around Farley Hall, a grade 1 listed Georgian manor house dating from 1729 in Farley Hill. Within its picturesque 1,750 acres of mixed farmland, bordered on three sides by tributaries of the River Thames (the Whitewater, Blackwater and Loddon) are the Estate's traditional working dairy and arable farms, game bird shoots and a range of residential and commercial properties to let.

This is a true and successful example of rural diversification.

Come for Quality. Stay for Luxury.
